

# Certificate

No. 33219

For the company:

## Imedisa Artes Gráficas S.L.

Alfareros 20  
28923 Alcorcón - Madrid  
Spain

The submitted prints were tested against the FograCert PSD Print Check requirements defined by ProcessStandard Digital.

The certification comprised:

- Color and print run consistency according to the requirements defined by Fogra Process Standard Digital
- Visual check for uniformity and detail sharpness ( resolution )

The following system combination(s) have been tested:

Reference	Printing system	Controller (RIP)	Substrate	ISO 15311 Level
<i>FOGRA51</i>	<i>Canon C10000VP</i>	<i>EFI Fiery B5000</i>	<i>MAC159 Silk 170gr</i>	<i>A</i>

The company successfully demonstrated their ability to produce print jobs in accordance with the specifications of ProcessStandard Digital.

Munich, October 21 2019

Dipl.Ing.(FH) Berthold Oberhollenzer

A handwritten signature in blue ink, appearing to read "B. Oberhollenzer".
